

# Elves Go Marching Matching Game

## Prepare the Game:

Print the pages front and back on cardstock. You can also just print the pages with words and color the back of the cards yourself. When printing front and back, set your printer to flip on the long edge. Cut out the pieces on the dotted lines.

Now you're ready to play!

## To Play:

Mix up the cards and place them face down on a flat surface. Take turns turning over cards. If you don't make a match, your turn is over. If you make a match, go again! Keep going until all the cards are matched.

Whoever has the most matches at the end of the game wins!
